

Annual Subscription and Fundraising

Each year we ask parents to pay a Subscription of €140 per child or €125 per child for two or more children. This fee is to cover the cost of

- Individual Pupil Insurance (24/7)
- Art and Craft materials
- Copies
- Photocopying and Printing
- PE expenses and
- "Text-A-Parent" expenses
- SESE Expenses
- IT Expenses

This money is separate to the Department of Education Grants which cover the day to day running of the school such as heating, lighting, water, repairs and renovations, etc.

Our Parents Association work tirelessly fundraising. This money is used to subsidise extra curricular classes, in school performances and workshops, enhancement projects to improve the school facilities for the children, educational tours etc.

You have always been very generous but costs are rising and you can rest assured that we are constantly monitoring our expenditure and working hard to ensure value for money for you at all times.
