- (a) The fire extinguishers have all been replaced (between December 2020 and March 2021).
- (b) All fire equipment is regularly serviced
- (c) Staff have had training and are now familiar with the use of fire extinguishers for specific materials/equipment.

- (e) Fire alarms are clearly marked.
- (f) All classrooms and all other general purpose rooms/areas are equipped with a full set of current class lists.

Procedures for Evacuation: (see appendix below)

1. All staff will familiarise themselves with the position of fire extinguishers, fire alarms and exits from the school.
2. Ensure Aladdin attendance is filled in every morning so it can be accessed online at the assembly point in the event of a fire drill.
3. On hearing the fire alarm the pupils should line up silently in alphabetical order and vacate the school using the nearest exit. The teacher is last to leave the room, closing windows and doors, and ensuring that all children are out of the classroom, toilets and cloakroom areas. Once outside the school building, the class teacher counts the children and proceeds to the school gates. Special Needs Assistants (SNAs) and appointed staff check assigned corridors for unaccompanied children (see SEN Duties below). Please ensure proper handover of these students once at assembly area at Greenlea Green. If possible teachers are informed by word of mouth or by phone that their students are safe and accompanied.
4. Class teachers will bring their class list. Class lists should be hanging next to the classroom door. Any visiting children should be noted on class lists every morning (use a post-it).
5. The class teacher should bring any medication with them.
6. Proceed directly to the school gates and then follow the route to Greenlea Green opposite St Pius X Church.
7. If in the Science/GP room/PE hall/Seomra there is an updated set of class lists hanging beside the door which the teacher will take. Evacuate through the nearest exit and proceed directly to the school gates and then follow the route to Greenlea Green opposite St. Pius X Church.
8. Visiting children, teachers, students etc. in any classroom at the time the alarm rings, go with that class to the assembly area at the green. SET team has assigned duties (see SEN Duties below).
9. Junior SNAs will scan the junior corridors, senior SNAs will scan the senior corridors, and the Secretary (Natasha), Principal (Áine) and Classroom Teacher beside principal's office (Peter) will scan the middle corridor and GP room corridor to check for any unaccompanied children and add them to any class line (make sure to inform the teacher of that line). Class teachers ensure proper handover of these students once as assembly area at Greenlea Green.
10. Any children who are attending Support will accompany their Special Education Teacher (SET) to Greenlea Green. SET teachers may add these students to other class lines after informing that class teacher so that they can assist at front garden supervision and at the road crossings.
11. Children unable to walk (e.g. on crutches, sick, no medication with them, etc.) will be supervised at the school gate with the SET team. Children may not be left in the front garden if there are no adults there to supervise.
12. If a child is missing from your class during evacuation (e.g. on a message) proceed as normal with evacuation of the class. This information can be left with SEN teachers at the gate with regards to children who are missing or children who have been added to class lines. If possible teachers will be notified by word of mouth, phone or at the assembly point at the green that children are safe and with another teacher/adult.
13. Girls' school pupils turn left outside the school gates and then 2nd left down Fortfield Grove.

14. Class teachers ensure there is always an adult directing children across any road, lane, or entrance/exit, including the quiet crossing on Fortfield Grove.
15. Encourage the children to walk briskly but safely to the assembly area.
16. Assemble on Greenlea Green opposite St. Pius X church and when your class is fully assembled, hold up the coloured card to show that everyone is present and accounted for.
17. If weather is very wet all the children will assemble in St. Pius X church.

Evacuation during yard time:

1. If the fire alarm sounds during yard time, all children line up quickly in usual class lines (if possible in their fire drill alphabetical order).
2. Teachers leave the staffroom immediately with their class lists (on noticeboard) and go to their line, check everyone is there and begin evacuation of school grounds. 5th and 6th Class girls on doors bring all children out of toilets and leave the school immediately and join their lines.
3. First Aid SNAs will evacuate all children from First Aid and proceed to the front garden where they will supervise these children until a SET relieves them.
4. SNAs will be on yard with most medication. Any child whose medication is not with them can stay with SET team in the front garden.

SEN Duties:

SET Team: Evacuate students from SEN area using the nearest exit. If possible pool students together so that one teacher can proceed with those students to the assembly point at the green. Alternatively, students can be added to other class lines once that teacher has been notified. SETs will then take up different duties in this order:

- i. 1-2 teachers/adults at the front garden to supervise sick children or children unable to walk to the green
- ii. 1-2 teachers/adults at the first road crossing on Fortfield Avenue
- iii. After i and ii other teachers/adults assist where needed (priority may need to be given to locate unaccompanied children and notify class teacher, assisting with infant classes, and ushering students out of the school gate)
- iv. Additional teachers/adults at the crossing just before Greenlea Green on College Drive

SNAs and appointed staff: Junior SNAs will scan the junior corridors and garden room, senior SNAs will scan the senior corridors and seomra, and the Secretary, Principal and Classroom Teacher beside principal's office will scan the middle corridor (as far as to the GP room) to check for any unaccompanied children and add them to any class line (make sure to inform the teacher they are added to). SNAs will accompany students with SNA access to the assembly area, prioritising students who need additional support during fire drill evacuations.
